[Portfolio](#)

[Behance](#)

Eager and adaptable UI/UX designer with hands-on experience in user-centered design, wireframing, and prototyping. Proficient in Figma, HTML, CSS, and responsive design, I am quick to learn and ready to contribute to dynamic technical environments.

Work Experience

UI/UX Designer Intern

Apr 2024- Jul 2024

Tigrid Technologies Pvt. Ltd. | Thiruvananthapuram

- Designed and implemented user-centered interfaces for real-time client projects and internal tools.
- Create responsive designs and contributed to the implementation using HTML and CSS.
- Conducted case studies and collaborated with senior designers enhancing the overall user experience.

Projects

Hospital Website UI/UX Design

Dec 2024

- Conceptualized and designed a responsive, user-centric website for WellCare Hospital, focusing on improving patient experience through streamlined appointment booking, medical records management, and enhanced accessibility features

Fashion Company Website UI/UX Design

Nov 2024

- Designed a minimalist, intuitive e-commerce website for Velvet Vogue, blending seamless navigation with a luxury aesthetic to enhance the shopping experience.

Order tracking app for an art studio

Jul 2023

- Aligned app design with customer and artist needs through UX research, creating wireframes and high-fidelity prototypes featuring intuitive navigation and real-time order tracking to enhance the user experience.
